SHIM KITS

- Shim Kit includes 6 different shims of varying thicknesses for the purpose of properly timing a flash hider or muzzle brake

LEGAL TERMS

LIMITED LIFETIME WARRANTY

Advanced Armament Company (AAC) silencers and silencer parts manufactured on or after November 1, 2021, are backed by our Limited Lifetime Warranty. Each AAC silencer and silencer part manufactured on or after November 1, 2021, is warranted to be free from defects in materials and craftsmanship for its lifetime. AAC will repair or replace free of charge any silencer or silencer part covered by this warranty that has a defect in materials or craftsmanship. The liability of AAC under this warranty shall be limited solely to the obligation to repair the defect or replace the silencer or silencer part (as determined in AAC's sole discretion) and to pay transportation and insurance charges for return of the silencer or silencer part. This warranty is transferable for the lifetime of the silencer or silencer part.

LIMITATIONS

THIS EXPRESSED LIMITED LIFETIME WARRANTY IS THE ONLY WARRANTY ON AAC SILENCERS AND SILENCER PARTS. AAC SILENCERS AND SILENCER PARTS ARE SOLD "AS IS," AND ANY WARRANTIES IMPLIED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY DISCLAIMED.

This Limited Lifetime Warranty does not cover silencers manufactured prior to November 1, 2021. However, as explained below, AAC can service them for a fee.

This warranty **does not cover** ordinary wear and tear or any damage resulting from careless or criminal handling, neglect, corrosion, unauthorized or improper installation or mounting on firearms, unauthorized or improper modifications, including modifications using non-AAC or otherwise incompatible parts, unauthorized or improper repairs or adjustments, use of improper, substandard, reloaded, or defective ammunition, or other unauthorized or unreasonable use of the silencer or silencer part. AAC, in its sole discretion, will determine if a particular issue or condition is covered by this warranty.

Baffle strikes which are not due to a defect in workmanship are not covered by this warranty.

Centerfire rifle caliber silencers are not warranted for use on barrels less than 10.5" in length on "intermediate" rifle cartridges, with the following exceptions:

- Silencers are warranted on barrels as short as 9" for 300 AAC BLACKOUT; and
- Silencers are only warranted on barrels as short as 14.5" for .308 WIN.

Under no circumstances shall AAC be responsible for incidental or consequential damages with respect to economic loss or injury to property, whether as a result of express or implied warranty, negligence, or otherwise. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. AAC will not be responsible for the results of ordinary wear and tear, careless or criminal handling, neglect, corrosion, unauthorized or improper installation or mounting on firearms, unauthorized or improper modifications, including modifications using non-AAC or otherwise incompatible parts, unauthorized or improper repairs or adjustments, use of improper, substandard, reloaded, or defective ammunition, or other unauthorized or unreasonable use. This warranty gives you legal rights, and you may also have other rights which vary from state to state.

If your AAC silencer is not covered under this warranty for whatever reason, you nevertheless may be eligible to purchase a replacement silencer for half of the current Manufacturer's Suggested Retail Price (MSRP) for the same or similar model silencer plus any transfer fees and the cost of the NFA tax stamp. Please call AAC Customer Service at 1-800-581-1610 for more information and eligibility requirements.

WARRANTY CLAIMS

To initiate a Warranty claim, call AAC Customer Service at 1-800-581-1610, Monday through Friday, 9am - 5pm CST. Customer service will issue an RMA number to allow for the return of the silencer or silencer part. Warranty claims must have this RMA filled out and included in the box with the silencer or silencer part. The returned item must be shipped using the prepaid label our representative emails to you. AAC will pay shipping and insurance charges for the return of a silencer or silencer part to its owner or FFL if the related claim is a proper claim for warranty work. If AAC is unable to repair any silencer or any serialized silencer part, a new replacement one will be provided, but it must be shipped to an FFL/SOT for transfer back to the customer. At which time another Form 4 process will be required. AAC will not be responsible for transfer fees at the FFL or the cost of the NFA tax stamp.

ADVANCED ARMAMENT CORPORATION-BRANDED PRODUCTS MANUFACTURED PRIOR TO NOVEMBER 1, 2021

Advanced Armament Corporation-branded silencers or parts manufactured prior to November 1, 2021, were not manufactured by Advanced Armament Company. Accordingly, Advanced Armament Company is unable to honor any warranties for any Advanced Armament Corporation -branded products that were manufactured prior to November 1, 2021. However, Advanced Armament Company will service such products for a fee. Advanced Armament Company acquired the rights to use the Advanced Armament Corporation brand and associated intellectual property in conjunction with the Remington Outdoor Company bankruptcy proceeding. AAC did not acquire any silencers associated with the Advanced Armament Corporation brand from Remington Outdoor Company. Most liabilities, including warranty claims, were also discharged in the bankruptcy proceeding. Accordingly, AAC is unable to honor any warranties for any Advanced Armament Corporation-branded products that were manufactured prior to November 1, 2021. However, AAC can service such products for a fee. Also, if you properly upgrade any silencer using new AAC parts manufactured on or after November 1, 2021, then those new parts would be covered by the warranty described above.

For more information about servicing or upgrading AAC-branded silencers manufactured prior to November 1, 2021, please call AAC Customer Service at 1-800-581-1610, Monday through Friday, 9am - 5pm CST.
